

# TROWSE AFTER SCHOOL CLUB

14<sup>TH</sup> NOVEMBER 2024

Please read this carefully and fill out the form on the reverse side of this letter and hand it into the school or a 4ward sports employee.

We have started to notice contact details and medical information is not up to date, could you please check and amend if required.

Another layer of security will be added, all families are required to have a password, this would be used for anyone not on the contact records picking up a child. We would still require a text informing us if the usual pick-up arrangement has changed. Even if the person is recognised to us, the password and the text is required. For example, nan who we recognise would still need the password and a text sent to us or a message to the school.

Unfortunately, with prices and fees on the rise and small business being hit hard in the recent budget I have decided that 4ward sports will not be absorbing all the booking platform fees. To offer some clarity the system costs £30 a month and with every £5 booking 0.44p is deducted and 0.69p for a £10.50 booking.

We will be increasing the two-hour session by 50p after Christmas.

The number of families using vouchers have increased and to keep on top of this, it has become very time consuming. For every half term, we will only allow two voucher payments per child to be used. A second option, you can register your child using the code as usual and I will send you an invoice at the end of the half term which you must pay promptly using your voucher.

## **Parent/Carer names**

.....

.....

**Child names**

.....

.....

.....

.....

**Family Password**

.....

**VOUCHER USER ONLY** – Please tick your option choice

TWO VOUCHERS PER HALF TERM (    )

SEND INVOICE (    )

**Please tick the below statements.**

I have read and understood all policies found on the 4ward sports website (    )

I have checked and amended my information on the booking system (    )

Thank you for your ongoing support.
